

BURLINGTON AREA HOMELESS SHELTER

2022

Annual Report

A MESSAGE

In 2022 we welcomed a new Executive Director Amanda Smalley and had a complete changeover of staff. Throughout this transition we have been blessed to be able to remain open and serving those in need. Dedicated board members, staff compassion, helpful attitudes, and ongoing community support have enabled us to provide essential services to those who find themselves in hard life circumstances. We are committed to supporting individuals into successful housing and making connections to help end their homelessness.

As we look back on 2022 and look forward to 2023 we are thankful and hopeful. With such great community support we plan to forge forward with Hope for the Homeless in our area through the Burlington Area Homeless Shelter.
