## Annual Report 2023

Published: January 15, 2023

# Pressing On:

The Burlington Area Homeless Shelter took substantial steps in raising community awareness and support in 2023. More and more people are learning about what BAHS offers to those in need of shelter and support, and people are responding in a positive and impactful way.

Homelessness is still something too many in our community face. Your support helps maintain BAHS' ability to support them in times of need. More support is needed in 2024 and beyond. We are optimistic we will earn and gain that support through hard work and dedication.

YOU ARE making a positive impact on people's lives and we couldn't be more grateful.

We truly thank you.  
Clayton Davis  
BAHS Board President
