## 2024 Annual Report

In 2024, the Burlington Area Homeless Shelter demonstrated its continued commitment to serving the homeless population in the area. Over the year, BAHS increased the number of nights of shelter provided compared to the previous year. This growth was achieved through the dedication of the shelter's staff and through the growing support of the local community. As awareness of BAHS's mission has spread, the community has responded positively, demonstrating its commitment to addressing homelessness. We are deeply grateful for this response.

In 2025, BAHS will continue our mission. We once again humbly request your support in any way possible. Your support directly helps BAHS provide that "helping hand up" to those in need. Your positive impact to those sheltered is invaluable.

Thank you all, Clayton Davis BAHS Board President
